- The assessment of the learning levels of the students is done by the teachers in the classrooms during lectures and through conducting class tests, assignments, tutorials, etc; on the basis of which slow and advanced learners are identified. Specific teaching-learning methodologies oriented to the needs of such students are then discussed and implemented.
- An integrated approach is followed in the classes by our faculty. Traditional teaching methods are aided by new age technological methods to make learning more engaging and relatable.

#### **Slow Learners:**

- Tutorials and remedial classes are organized, the purpose of which is to give special coaching in areas where they need support.
- Additional reading material and books in simple form is made available to increase their understanding of the subject. E-links are also suggested to the students to help them gain an in-depth knowledge of the subject.
- N-list in the library also support the slow learners.

#### **Bilingual:**

- Explanations and discussions are done in the class with the aim of reaching out to the slow learners so that they can be brought at par with the rest of the class.
- Personal, academic and career-related counselling is given from time to time.
- Home assignments are given and evaluated on a regular basis. Additional tests are conducted outside the curriculum to assess the learning ability of students.
- Peer learning is encouraged through group discussions and presentations. This aids in building a culture of team work and helps to develop leadership as well as interpersonal skills.
