REPORT ON
INSTITUTION ECO-SYSTEM FOR INNOVATION AND OTHER INITIATIVES FOR CREATION
AND TRANSFER OF KNOWLEDGE

As the Higher Education Institutions needs to be the beacons for Environment resilience and to rehabilitate the Eco system our students came with the Novel and Innovative Ideas for reinforcing Greenery Campus and Zero Waste Management. The institution always strived hard for the official approval and support for innovative Try-outs. New ideas through Institution Innovative Cell (IIC), under this cell Compost Pit and Seed bank were established in the institution and the using Organic Soil was distributed among adopted villages with the caption “**STOP USING CHEMICAL FERTILIZER and START USING ORGANIC MANURE**”. This initiative was appreciated by The Commissioner of Mahanagara Palike, Kalaburagi, Print Media and Farmers of villages.

To
Principal
Reshmi College

Respected Sir/Madam,

I would like to
congratulate Reshmi College for
actively participating in Swachh
Kalaburagi Abhiyan where the
college staff and students have
actively performed awareness
activities, did compost pit
in their colleges and also
promoted cloth bags in the
city.

Kalaburagi city corporation will always
be grateful for the efforts of
Reshmi College. I hope that in
future too, such cooperation will
be extended for a dream of
Clean & Green Kalaburagi.

Regards

Snehal Lokhande
