Green Policy

A Green, clean and healthy environment of the campus plays a vital role for learning higher educational institutions are beacons of environmental resilience. Efforts are being made to make conducive learning surrounding and making campus eco-friendly.

The institute is committed to the safe and sound environment performance of the institute & gives paramount importance to the sustainability right from inception of it. The institute has adopted cohesive planning to enable resource efficient, proper land use has transformed our campus area into biologically diverse outdoor classrooms and healthy open space.

The policy emphasis on practices and methodologies pertaining to areas of significant environment concerns e.g. land, energy, water, are etc.

Energy:

- Use of energy efficient fixtures in the campus.
- Well ventilated classrooms
- Campaign/workshop encouraging responsible energy use.
- Converted outdoor classroom under trees and building shadows

Land:

- Developing Green gardening strategies like mulching.
- Land utilization through agro forestry and kitchen gardening and compost pit
- Campus nursery management
- Increasing tree density and land permeability in the campus.

Air:

- Indoor plantation in the building for clean indoor environment.
- Planted oxygen rich plants

Water:

- Initiative to encourage responsible water management via rainwater harvesting.
- Use of water efficient fixtures in campus to reduce sludge generation.

POLICY FOR PAPERLESS OFFICE

The Institution has been taking huge measures to move towards paperless office by giving the students online assignments and also by conducting online presentations as well as online tests. The office staffs who work with computers undergo various short term training in computer courses which enables them to use computer and other multimedia devices for transacting files online without have to use paper.

Earlier, internal marks of students were compiled with the help of Manuals. These were then printed out and the hard copies were sent to the University. However, from 2021 the Gulbarga University, Kalaburagi created a Portal wherein all internal marks of the students were entered online.
